## **BOOK SYNOPSIS**

A Passover Haggadah, enhanced with more than fifty original drawings, Elie Wiesel and his friend Mark Podwal invite you to join them for the Passover Seder—the most festive event of the Jewish calendar. Read each year at the Seder table, the Haggadah recounts the miraculous tale of the liberation of the Children of Israel from slavery in Egypt, with a celebration of prayer, ritual, and song. Wiesel and Podwal guide you through the Haggadah and share their understanding and faith in a special illustrated edition that will be treasured for years to come. Accompanying the traditional Haggadah text (which appears here in an accessible new translation) are Elie Wiesels poetic interpretations, reminiscences, and instructive retellings of ancient legends. The Nobel laureate interweaves past and present as the symbolism of the Seder is explored. Wiesels commentaries may be read aloud in their entirety or selected passages may be read each year to illuminate the timeless message of this beloved book of redemption.
