BOOK SYNOPSIS

As the mother of one of the children who died at Sandy Hook school in Newtown, Connecticut, in 2012, Alissa Parker had her world shattered by a mass murderers rampage. She was left to make sense of her daughters life and death and to rebuild, seeking a deeply spiritual path to carry on with her life and find new meaning and purpose. As a co-founder of SafeandSoundSchools.org, a touring national advocacy group that helps people take action to make schools safer, Alissa has talked to hundreds of parents around the country about her ordeal and how she was able to endure the unspeakable horror of Sandy Hook. An Unseen Angel takes readers through Alissas complete journey, chronicling the moment-by-moment account of the day that began with every parents worst nightmare: hearing, "Theres been a shooting at your childs school." It follows her faith-filled spiritual path to coping, healing, forgiving, and eventually feeling gratitude for the life and love of her daughter Emilie. She describes a bond of love between a mother and daughter that is so profound it transcends the physical body and touches Alissa and the people who loved Emilie who feel her presence every day. And she articulates her deep Christian faith, which guided the answers to Alissas gut-wrenching, post-tragedy questioning: "Where is Emilie now?" "Can love transcend the physical body?" "How can I know that Emilie is in a better place?" "How do I deal with the here and now when the pain and anger I feel is so overwhelming?" This is the first book about the school-shooting tragedies with a focus on faith and spirituality. As we learn Alissas story, we are introduced to a special little girl who was wise beyond her years and whose lessons about life and the transcendent power of love continued even after she had passed away."

AN UNSEEN ANGEL A MOTHERS STORY OF FAITH HOPE AND HEALING AFTER SANDY HOOK

- Are you looking for Ebook An Unseen Angel A Mothers Story Of Faith Hope And Healing After Sandy Hook?
