BOOK SYNOPSIS

A Reference Grammar of Spanish is a comprehensive handbook on the structure of the Spanish language. Keeping technical terminology to a minimum, it provides a detailed yet clear point of reference on all the intricacies of Spanish grammar, covering word order, parts of speech, verb use, syntax, gender, number, alphabet, and pronunciation. Accompanied by a wealth of carefully chosen examples, it looks at Spanish in Iberia, the USA, Mexico, and Argentina, and demonstrates the differences between these varieties. It is designed specifically with English-speaking learners in mind, and contains useful tools such as a glossary of terms, an index, and a detailed examination of different registers of the language. Clearly structured and systematically organised, this volume is set to become the standard guide to the grammar of contemporary Spanish, and will be an invaluable resource for teachers and students, as well as a practical supplement to textbooks and classroom study.

ASÍ ME SIENTO YO SPANISH EDITION - Are you looking for Ebook Así Me Siento Yo Spanish Edition ?
