BOOK SYNOPSIS

This textbook provides teachers and teaching students with a comprehensive guide to establishing collaboration with parents and the larger community, while exploring the interconnectedness of children's "circles" -- home, school, and community. Chapter topics include historical perspectives; viewing family diversity; parenting the child; preschool experiences and out-of-home care; responsibility for educating children; curriculums of the home, school, and community; models for parent-school-community partnerships; and effective social settings for learning.
