BOOK SYNOPSIS

Maximize your child or students potential with a child-centered education program! Winner of the Autism Society of Americas Literary Work of the Year Award, this first book in Sheila Wagners Inclusive Programming series provides an inclusion program for students with autism spectrum disorders. Teachers, parents, and students alike will benefit from Sheilas insight and presentation as she outlines both theories and applications of inclusive programming for elementary school students. Her engaging and readable style, coupled with her extensive knowledge and classroom practice, make this book indispensable for professionals and nonprofessionals alike.
