BOOK SYNOPSIS

Written primarily for students in higher education and student affairs graduate programs, Introduction to American Higher Education is a groundbreaking textbook that combines classic scholarship pertaining to colleges and universities with the most cutting-edge perspectives in the field. The book is divided into five sections and contains 25 essential readings on the following topics: Faculty Teaching, Learning and Curriculum College Students Organizations, Leadership and Governance Higher Education Policy Each section includes chapters on community colleges and four-year institutions, as well as a substantive overview written by an expert scholar in the field: Ann E. Austin, Clifton F. Conrad, Laura I. Rendón, Adrianna J. Kezar, and Edward P. St. John. This impressive volume ensures that faculty members will no longer have to compile their own collections of articles and chapters for use in introductory courses. Introduction to American Higher Education brings together the best scholarship in one comprehensive text.
