BOOK SYNOPSIS

Now readers can master the principles of economics with the help of the most popular introductory book in economics today that is widely used around the world - Mankiw's PRINCIPLES OF ECONOMICS, 8E. With its clear and engaging writing style, this book emphasizes only the material that readers are likely to find most interesting about the economy, particularly if they are studying economics for the very first time. Reader discover interesting coverage of the latest relevant economic developments with real-life scenarios, useful economic facts, and clear explanations of the many ways economic concepts play a role in the decisions that individuals make every day. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
