## BOOK SYNOPSIS

The Red Queen is old but the kings of the Broken Empire fear her as they fear no other. Her grandson Janan Kendeth is a coward, a cheat and a womaniser; and tenth in line to the throne. While his grandmother shapes the destiny of millions, Prince Janan pursues his debauched pleasures. Until he gets entangled with Snorri ver Snagason, a huge Norse axe man, and dragged against his will to the icy north. In a journey across half the Broken Empire, Janan flees minions of the Dead King, agrees to duel an upstart prince named Jorg Ancrath, and meets the ice witch, Skilfar, all the time seeking a way to part company with Snorri before the Norseman's quest leads them to face his enemies in the black fort on the edge of the Bitter Ice.
