BOOK SYNOPSIS

With more than 1 million greeting cards sold, Scott Hilburn's The Argyle Sweater dresses up the funny page with an argyle-wearing assortment of cavemen, bears, moths, and pompadour-styled humans, along with an occasional evil scientist. Boasting a readership ranging from the Washington Post and the Los Angeles Times to the Calgary Herald, The Argyle Sweater fuses Hilburn's visceral talent and bold pen stroke. What results is a cerebrally astute cartoon panel that comments on popular culture, human nature, and society in a clever and spontaneous way.
