BOOK SYNOPSIS

At some point in their lives, millions of people have waited tables. And many remain haunted by nightmare scenarios where they are the sole server in a packed restaurant. For all those disenchanted current and former food service employees, Darron Cardosa (a.k.a. the Bitchy Waiter) has your back. Since 2008 he's vented his frustrations about everything from entitled has-beens to what "really" goes on in that fancy restaurant in a popular blog. A snarky mix of Sedaris, Bourdain, Bombeck, and Mo Rocca, Cardosa distills 30 years of food service into dark, funny tales that anyone who worked in the industry will relate to."
